

## Service price list

This price list can be considered as a guideline for Auguste Reymond's network of independent repair workshops offering the type of service(s) required for the customer's timepiece. Repairer shall have complete discretion in determining independently the prices it charges for the repair services of Auguste Reymond watches.

The indicated recommended prices are in CHF. Following costs will be added:

- Logistic charge included handling, packing and insurance: CHF 10.-
- Shipping costs:
  - Switzerland: CHF 15.-
  - Abroad: according to country
- VAT: +8% for Switzerland, 0% for export

These prices can be changed at any time and without prior information.
